7. Main and tail rotor blade repair

BELL	LEONARDO	AIRBUS	SIKORSKY
206	AW139	EC145	S76
204		H120	
212		H125	
412		H130	
214B			
407			

A front-facing view of a white helicopter, likely a Sikorsky UH-60 Black Hawk, in a large industrial hangar. The helicopter is mounted on a blue and white maintenance stand. The cockpit windows are prominent, with wipers visible. The hangar background shows various equipment, including a yellow crane and shelving units.
